REPORT AND RECOMMENDATION¹

This case is before the Court on the parties' Joint Motion to Change Plea (Doc. #34) and the subsequent plea hearing, which was held on March 27, 2024. Assistant United States Attorney Brent Tabacchi appeared and represented the Government. Defendant was present at the hearing and was represented by Attorney Griff Nowicki.

Prior to the hearing, the parties entered into a proposed binding plea agreement pursuant to Fed. R. Crim. P. 11(c)(1)(C), which agreement has been filed of record. (Doc. #38). Under the terms of the plea agreement, Defendant agreed to plead guilty to Count 3 as charged in the Indictment currently pending against him, which charges him with knowing and intentional possession with intent to distribute 400 grams or more of a mixture or substance containing a detectable amount of fentanyl, and 500 grams or more of a mixture or substance containing a detectable amount of methamphetamine, Schedule II controlled substances, in violation of 21 U.S.C. §§ 841(a)(1) and 841(b)(1)(A).

¹ Attached is a NOTICE to the parties regarding objections to this Report and Recommendation.

During the plea hearing, the undersigned had the opportunity to address Defendant in open court and to inform Defendant of all rights and privileges as set forth in Fed. R. Crim. P. 11(b)(1). Further, the undersigned carefully inquired of Defendant regarding his understanding of the agreement, as well as his competence to understand the agreement. Having fully inquired, the undersigned Judicial Officer finds that Defendant's tendered plea of guilty to Count 3 as charged in the Indictment was knowing, intelligent, and voluntary. Additionally, based upon the statement of facts, which were read into the record and affirmed by Defendant, the undersigned finds that there is a sufficient factual basis for finding that Defendant is in fact guilty of knowing and intentional possession with intent to distribute 400 grams or more of a mixture or substance containing a detectable amount of fentanyl, and 500 grams or more of a mixture or substance containing a detectable amount of methamphetamine, Schedule II controlled substances, in violation of 21 U.S.C. §§ 841(a)(1) and 841(b)(1)(A).

Based upon the foregoing, it is **RECOMMENDED** that the District Court **GRANT** the parties' Joint Motion to Change Plea (Doc. #34) and **ACCEPT** Defendant's plea of guilty as charged in Count 3 of the Indictment currently pending against him and find him guilty as charged of knowing and intentional possession with intent to distribute 400 grams or more of a mixture or substance containing a detectable amount of fentanyl, and 500 grams or more of a mixture or substance containing a detectable amount of methamphetamine, Schedule II controlled substances, in violation of 21 U.S.C. §§ 841(a)(1) and 841(b)(1)(A).

Pending the Court's acceptance of Defendant's guilty plea, Defendant has been referred to the Probation Department for a pre-sentence investigation and report.
